TERMS & CONDITONS

DELIVERY (10 working days if stock). Delivery from our European supplier to Oyster Pools show site.

OPTIONAL ON-SITE ASSEMBLY. £150-£300 The goods will be delivered to your home by our installers, and assembled in your chosen location, which must be sound, level and suitable to support the weight of the sauna, plus occupants, such as a good patio, concrete base or decking. Assembly charge does NOT include ANY electrical connections. This must be done by a qualified electrician. Assembly price valid for installations within 40 miles of Oyster Pools, over £POA.

ELECTRICAL REQUIREMENTS. (To be complete by qualified electrician, supplied by others)
Stove saunas - All require a RCD protected supply. Outdoor models will also require an IP65 rated 2 pole isolation switch and armoured cable used for external run to sauna.
Infrared Saunas - Indoor use only - Supplied with 13 amp plug.

PAYMENT.

- 1) If supply only - full payment will be required at time of order.
- 2) Oyster assembly - Goods paid in full at time of order; fitting charge payable on completion of work.
- 3) All Credit Card use will incur a 1.5% surcharge, payable at time of order.
