

HOLIDAY PARK SPA COLLECTION

UK HOLIDAY PARK COMPLIANT

Designed for HSE HSG282 compliance including in line water dosing and auxiliary controls.

INSULATED TO COST LESS

Multi-layered insulation helps keep heat in and energy cost down.

Heat pump ready control pack and plumbing with thermal tuning means our spas can run efficiently on the energy source you choose.

EASY WATER CARE

Wide mouth filtration designed to keep water in peak condition. An automatic UV and Ozone system supports water sanitisation and clarity which reduces chemical dependency to further reduce running cost.

SUN & SOUL™ HOLIDAY PARK SPA COLLECTION

SOUL300H™

 **JETS** – 22  **SEATING** – 3 seats  **DIMENSIONS** – 1.57 x 2.07 x .82m

SPECIFICATIONS

Dry weight 230 kg
Water capacity..... 880 litres
Filled weight 1121 kg
Smart-Flo™ pump 2.5 hp
Smart-Flo™ circulation
pump Standard
Electrical requirements 13 A / 25 A
Heater 1.5 KW
Jets 22

WARRANTIES

- 1-year manufacturing and defect warranty in all commercial setting

FEATURES

- FourCore™ shell construction
- SunFlex™ plumbing system
- Reflect™ perimeter insulation
- RuggedBase™ insulated, moulded ABS
- SunFrame™ high-impact plastic frame
